Cambridge O Level Principles of Accounts has been designed specifically to meet the requirements of the Cambridge syllabus. Cambridge O Level Principles of Accounts has been written specifically for the Cambridge O Level Accounting syllabus. Accounting principles and practices have been explained in simple language to enhance the accessibility of the contents to students whose first language is not English. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology.

Success International English Skills for IGCSE Student's Book

Get your best grades with this Cambridge International AS and A Level Geography Revision Guide. Manage your own revision with step-by-step support from experienced examiners Garrett Nagle and Paul Guinness Use specific case studies to improve your knowledge of geographical patterns, processes and changes Get the top marks by applying geographical terms accurately with the help of definitions and key words Use the Revision Guide to prepare for the big day: Plan and pace your revision with the revision planner Use the expert tips to clarify key points Avoid

Also available: Cambridge International A and AS Level Geography textbook (ISBN: 9781444123166) by Garrett Nagle and Paul Guinness and endorsed by University of Cambridge International Examinations. This title has not been through the Cambridge endorsement process.

My Revision Notes: WJEC GCSE Geography

This is an investigative approach to Cambridge IGCSE Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460 syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development, and the Use of Resources), as well as the geographical and fieldwork skill elements of Papers 2, 3, and 4. Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels, and accompanying comments. Be confident in the content and approach--this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association--the home of best practice in
IGCSE and O Level Economics Workbook

INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we
don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.

**Complete Biology for Cambridge IGCSE®**

Cambridge IGCSE Geography Revision Guide has been designed specifically to meet the requirements of Cambridge IGCSE Geography syllabus (0460). It has been written to help students prepare for the Cambridge IGCSE Geography examination. The book instills confidence by improving the students' understanding of key concepts and adds focus to their revision.

**Revise for Geography GCSE AQA Specification A**

Cambridge IGCSE Mandarin Chinese - Foreign Language (0547) This syllabus is designed for learners who are learning Mandarin Chinese as a foreign language. The aim is
to develop an ability to use the language effectively for practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. The syllabus also aims to offer insights into the culture of countries where Mandarin Chinese is spoken, thus encouraging positive attitudes towards language learning and towards speakers of other languages. In 2021 Edition, we add: Vocabulary Builder and Expansion.

By referring to Cambridge IGCSE Chinese, Edexcel IGCSE Chinese (another two examination board) and HSK (Chinense Proficiency Test), IB Chinese Syllabus, AP Chinese, SAT Chinese, Online Chinese Courses, BCT (Business Chinese), combining our 25 years’ experience in Teaching and editing our own materials, here is the “LIFE SAVING” book called by many students for their exams. The book give a quick revision for your coming exam! Thanks for your support for us creating better contents for you! It takes our years’ painful effort to edit. Grab it!

Cambridge IGCSE® English as a Second Language Teacher's Book

Accessible content for students studying Cambridge IGCSE Economics. The Cambridge IGCSE and O Level Economics Workbook is designed to help learners develop their understanding of economics, to build skills and to enable them to assess their progress. It provides an opportunity to interpret economic information and apply knowledge to real life issues whilst testing the student's understanding with multiple-choice questions. The Workbook can be used alongside the Cambridge IGCSE and O Level Economics Coursebook, but may also be used independently.
Coursebook with CD-ROM

Cambridge IGCSE and O Level Geography has been written specifically for Cambridge International syllabuses 0460 and 2217. From tourism in Kenya to the summit of an active volcano in Japan, this revision guide helps students understand the processes that affect physical and human environments on a local, regional and global scale. The narrative style of the revision guide, with detailed explanations, complements the range of activities in the coursebook and reinforces understanding. Exam-style questions, international case studies and example maps give students practice with course content and skills in preparation for assessment. Sample answers to all the questions are in the back of the book.

The New Wider World
This book supports students preparing for Cambridge International Examinations IGCSE English as a Second Language (0510 / 0511 / 0991). The full-colour exam preparation and practice book contains four guided practice tests, audio and video to build confidence ready for the revised exam from 2019. It takes an active learning approach with a test-teach-test methodology. This encourages students to think about how they are developing language skills, helping them progress. Full sample answers with examiner comments and grades are included to help students understand what is required in the writing and speaking exams. This is part of the Cambridge IGCSE ESL toolbox of resources - the widest choice of resources for this qualification.

CIE IGCSE Chinese 0547-22 2019 Paper 2 Reading Set 2; 剑桥中学会考中文(外语)真题解析

An examination of how language functions in CLIL, based on a corpus of classroom interactions. Drawing on their wide experience as CLIL educators and researchers, the authors explore data collected in real CLIL classrooms from two interrelated perspectives: the CLIL classroom as an interactional context for developing language and content, and the genres and registers through which the meanings of the different academic subjects are enacted. From the analysis of this corpus of data, the authors provide a rich description of how CLIL students' language works and may be expected to develop. Also available separately as a paperback.

GCSE Geography
Resources tailored to the Cambridge IGCSE® (0680) and O Level (5014) Environmental Management syllabuses, for first examination in 2019. Cambridge IGCSE® and O Level Environmental Management Coursebook is tailored to the IGCSE (0680) and O Level (5014) Environmental Management syllabuses for first examination in 2019, and is endorsed for full syllabus coverage by Cambridge International Examinations. The coursebook comprehensively covers the knowledge and skills required and supports students as they prepare for assessment. International case studies illustrate phenomena in real-world situations, while practical activities help students to develop their investigative skills. Exam-style questions and self-assessment questions encourage students to check their understanding and progress. Answers to all questions can be found at the back of the book.

Factfulness

Embed geographical and critical thinking skills for the latest Cambridge IGCSE, IGCSE 9-1 and O Level (0460/0976/2217) syllabuses with the skills focused approach, from examiners David Kelly and Muriel Fretwell.
